

Spring Break – March 10 – 14

Healthy Kids Pediatrics will be **closed** to patient appointments
and Healthy Kids Pediatrics After Hours will not have an on call provider available.

We hope you have a safe and healthy Spring Break but if you do need the services of a doctor we have contacted these Urgent Care facilities to provide you with care when we are not available. They will send us your visit information including any test results and we will follow up with you on March 17th.
